Date

📅 25 May 2016

Attendees

- Leonid Marushevskiy
- Pavel Khozhainov
- Dariia Iarmuratii
- Monica Morales
- Margreta Silverstone

Goals

- Disscuss wireframe version 3

Discussion items

Time	Item	Who	Notes
5min	Show wireframe	Pavel Khozhainov	- Login looks good - Dariia Iarmuratii - recommend add cues about the strength of the selected password
5min	Registration	Pavel Khozhainov	☐ Dariia Iarmuratii - remove address from registration page ☐ Dariia Iarmuratii - please think about mandatory fields (follow stylebook) ☐ Dariia Iarmuratii - do not require 4 digits of SSN
10min	Facilities UI	Pavel Khozhainov, Margreta Silverstone	- Wireframe approved - Can start development - Can use user location if address is not filled - If address is filled we will use user address zip code as a filter to search agencies - Dariia Iarmuratii - please add My Home icon to the map - Pavel Khozhainov - get user feedback on the appropriate labels and text inside the fields for the search / filters. - Pavel Khozhainov - get user feedback on icons / images associated with the facilities
15min	Profile	Pavel Khozhainov	☐ Dariia Iarmuratii - add * for mandatory ☐ Dariia Iarmuratii - last 4 digits of SSN is not mandatory ☐ Dariia Iarmuratii - design address component in the same way as Intake application ☐ Dariia Iarmuratii - misspelling: Contact Information ☐ Dariia Iarmuratii - Remove Family Information

10min	Inbox	Pavel Khozhainov	
			☐ Dariia Iarmuratii - need to show thread of messages ☐ Dariia Iarmuratii - Remove Assistant but set some default recipient like County HHS ☐ Dariia Iarmuratii - when the user is in their inbox and clicks on the contact (in the navigation area on the left side of the screen), the following options will be available: contact information (like address book), filtering / sorting the messages with that person (in the main reading panel), and an option to send an email to that person • Page is approved for further development

Action items

☑ Pavel Khozhainov - ask Shelly feedback on current design
done - 03. Shelly - 05/25/2016 - UI feedback

☑ Dariia Iarmuratii - start working on UI Design and deliver pages one by one to Product Development Team
07. Design concepts

☑ Dariia Iarmuratii - use https://standards.usa.gov/visual-style/ for UI design
same as above
